

NEW INFORMATION ON REGISTRATION FOR CLASSES

INRA will be making some changes in the way class registration will be done. Our hope is to make it as easy as possible for you the member as well as the Education Chairman who will be setting up the classes. We try to keep the classes as reasonable as possible and actually our INRA funds help supplement some of the cost so we can do this. This is why we sell OOTY's and charge a small commission at our sales events. INRA offers rosemailing classes at some of the lowest prices because we are able to supplement them, helping you our member.

INRA will be implementing an *Early Bird Registration* with a price break advantage. We are hoping this will help both the member and the Education Chairman as they plan the class with supplies and project pieces.

A student can also pay a \$25 (**nonrefundable**) deposit to be deducted from your total amount due.

Check out our upcoming class and get signed up now.

*Use this form to register for all classes. A form can also be downloaded from the INRA website www.rosemailing.com
Please fill out and send with class/registration fee to: Joanne Bjerga 854 Knollwood Rd, Deerfield, IL 60015*
